S P A I N - La Conreria Priorat Tinto, 2012

Fresh Spice Red Berry Medium-Bodied

“Wrapped in a curtain of red fruit, this is crisp in its freshness, direct in its slate-like impression of the soils in which the wine grows. It acts as a window into the textures and flavors of Priorat in their purest, most directly fruity state.”

S P A I N - Ramon Bilbao Rioja Reserva, 2008

Intense Blackberry Leather Medium-Bodied

“Bright cherry-colored, with aromas of red fruits intermixed with notes of leather, truffles and smoked meat, and a juicy supple palate with good acidity and good length. This is a great Reserva and very good value.”

I T A L Y - Grasso Ripiddu Etna Rosso, 2012

Intense Spice Blackberry Full-Bodied

“The rocky, volcanic soils of Mt. Etna yield rich, supple wines like this elegant red crafted from native grapes. Spice and dark berry intermingle on the full-bodied palate, while hints of oak come through at the finish.”

I T A L Y II - Poeta Barbera d’Alba Superiore, 2010

Cherry Plum Smoke Full-Bodied

“Deep ruby-red color in the glass, with the attractive aromas of red plum and mocha. The palate shows a lovely depth of ripe plum, cherry and smoky notes, balanced by supple tannins and a fresh, youthful acidity.”

F R A N C E - Vieux Clocher Vacqueyras, 2009

Spicy Floral Musk Medium-Bodied

“Deep ruby. Sexy aromas of red fruit preserves, Moroccan spices and musky herbs, are complemented by a slow-building floral quality. Spicy and concentrated, with an alluring sweetness and good heft to its red and dark berry flavors. Shows impressive clarity.”

F R A N C E - Chateau Feret Lambert Bordeaux Superieur, 2012

Concentrated Cassis Plum Full-Bodied

“Displays good depth and weight, with plush plum and cassis notes, featuring ample toast that should integrate well with time.”
